| THE RESERVE AND ADDRESS OF THE PARTY OF THE | THE RESERVE THE PARTY OF THE PA |

It is noon that the area of Kansas is nineteen thousand a mare miles greater than that of all New England, New York, and New Je.—47 and that the area of Nebraaka is ninety-live thousand miles greater than that of all the nos slaveholding states except California. Oregon is nearly equal in extent to all New England, New York, Pennsylvania, Ohio, and fediana. It is possible that New Mexico and Messilia will be embraced in one territorial organization by Congress at the present session, containing 285,000 square miles—exceeding all New England, New York, Pennsylvania, Ohio, Indiana, and Illinois. Washington exceeds in extent all New England, New York.

Hou. Jeremiah S. Hlack, Attorney General of the United States; A. B. McCalmout, e.g., chief clerk, The ordinary business of this office may be classified under the following beads:

1, Official opinious on the current business of the government, as alied for by the President, by any head of department, or by the Scietor of the Treasury. easury. ion of the titles of all land purchased, as the sites of

the United States in which the government is concerned.

6. The supervision of all other suits arising in any of the departments when referred by the head thereof to the Attorney General.

To these ordinary heads of the business of the office are added at the present time the following, viz:

First. The direction of all appeals on land claims in California.

Second, The codification and revision of the laws of the District o, folumbia.

INTERIOR DEPARTMENT.

Secretary of the Department of the Interior, Hon. Jacob Thompson, of the State of Mississippi. Its Lectrical force consists of one chief clerk, (Messes Kelly, esq.,) two disbursing clerks, and ten other regular clerks; and to its supervision and management are committed the following branches of the public service:

1st. The Public Lands. The chief of this burson is called the Commissioner of the General Land Office. The Land Bursen is clarked with the survey, management, and sale of the public domain; and the issuing of titles therefor, whether derived from confirmations of grains for sections, and made by former governments by sales; donations, of grains for schools, military bounties, or public improvements, and likewise the revision of Virgina military bounties, or public improvements, and likewise the revision of Virgina military bounties, or public improvements, and likewise the revision of Virgina military bounties, or public improvements, and likewise the revision of Virgina military bounties, or public dains, and the issuing of scrip in lieu thereof. The Land Office, also, audits its own accounts. The present Compressioner's I-lour 7. A Hendricka, of Indiana. Its principal officers in a recorder, chief clerk, principal clerk of surveys, besides a dranglishman, assistant dranghtsman, and some 150 clerks of various graines.

besides a draughtsman, assistant draughtsman, and some 150 clerks
2d. Pensions.—The present head of this bureau is George C.
Whiting, of Virginia. The commissioner is thereof with the examination and adjudication of all claims arising under the various and numerous laws passed by Congress granting bounty land or pensions for the military or naval services in the reviolationary and subsequent wars in which the United States have been engaged. He has one chief clerk, (S. Cofe, esq.,) and a permanent corps consisting of some ninety other clerks.

Joseph Holt is the Commissioner, and Samuel T. Slugert, eat., so Clerk.

Bosides these four principal branches of this new executive department, the organic set of 1840 transferred to it from the Treasury Bepartment the supervision of the accounts of the United States marshals and attorneys, and the clerks of the United States courts, the management of the lead and other mines of the United States, and the affairs of the penitentiary of the United States in the District of Columbia; and from the State Department the duty of taking and returning the censuses of the United States, said the affairs of the penitentiary of the United States in the District of Columbia; and from the State Department the duty of taking and returning the censuses of the United States, and of supervising and directing the acts of the Commissioner of Public Buildings. The hospital for the insane of the army and bavy and of the District of Columbia is also under the management of this department; in addition to which, by laws recently passed, the Secretary of the Interior is charged with the construction of the three wagen reads leading to the Pacific coast.

The department requires an additional building for its accommodation, and the crection of one has been repeatedly recommended during the last few years for that purpose. At present the Pension Office is provided with recoms in what is known as "Winder's Building," while the other branches of the Jepartment, including the Secretary's office, are all crowded into the Patent Office building, the whole of which will be required at an early day for the use of the Patent Office, for which it was originally intended.

The Treasury Department consists of the offices of the Secretary of the Treasury, two comptrollers, commissioner of the customs, six au-ditors, treasurer, register, selicitor, light-house board, and coast sur-vey.

The following is a brief indication of the duties of these several offi-

ces, and of the force employed therein, respectively:
